

Instructions for Delivering Baked Goods to Urban Gleaners

FRIDAY BEFORE

Please contact the following for a courtesy confirmation/reminder the day before pick-up and delivery.

- Erica at the Safeway Bakery Department / 8145 SW Barbur: 503 452-6068
- Clare at Urban Gleaners: 503 226-8061 (clare@urbangleaners.org)

Things to Know Before Going to Safeway

- Consider bringing someone with you to help load and unload your car. Having a buddy always makes volunteering safer and more fun!
- Clear out your car, because you may be picking up 1 - 3 carts FULL of bakery items!
- Be sure to wear a face mask to stay safe during this COVID pandemic.

DAY-OF . . . between 8:30- 9:15 am is when Safeway expects us to show up.

Please take a few photos of your experience and post them on [facebook.com/PositiveChargePDX](https://www.facebook.com/PositiveChargePDX). 😊

As noted, this **Safeway is located at 8145 SW Barbur Blvd.** You'll be picking up boxes of treats and bread **from the loading dock at the back of the building.** The loading dock is found via the alley adjacent to the parking lot. See the map at the end of these instructions.

Once you're at the loading dock, **stay in your car and call the store number (503 452-6068) and ask for Jordan (store manager).** Tell him you're a Positive Charge! PDX volunteer there to pick up the day-old baked goods. Jordan (or his designate) will bring out 1 – 3 carts filled with boxes of items. Take the cart(s) to your car and move the baked items from the cart(s) into your car.

Urban Gleaners' warehouse is located at **15 SE 6th Ave.,** just over the Burnside Bridge from downtown Portland. It is a green building, not even a block south of Burnside, on the west side of the street. When you get there:

- Pull all the way in to the lot and back up to one of the garage doors to unload.
- The contact on Saturday morning changes. Introduce yourself to whoever is there. That person will tell you where to put all the items. They even have carts for easy movement.
- The Urban Gleaners person will weigh what you bring. Stay and **get the weight from the person and then email the weight to info@PositiveChargePDX.org.**

That's it! Enjoy the rest of your day, knowing you brought food from potential waste to people who need it.
